

## Recommendation of Shanghai delicious restaurants

Shanghai contains a vast array of Chinese and international cuisines. Eating out in Shanghai is cheaper, you can have delicious food, good environment and qualified services simultaneously.

In the living website, local gastronomists have enough comments on the restaurants in Shanghai. We handpick the most delicious restaurants chosen by natives as follows (these information are updated at February in 2008)

Note: For the restaurants below, you may need to book the seats by phone 1~2 days earlier. For romantic seats (beside the windows, private rooms) may be need more days.
