

## Brief Introduction of Civil Airports in Shanghai

There are two civil airports in Shanghai---Shanghai Hongqiao International Airport and Shanghai Pudong International Airport, both serving international flights.

### Shanghai Hongqiao International Airport

Hongqiao International Airport is located in the western suburbs of Shanghai, only 13 kilometers away from the city center (a half-hour taxi ride). For many years, it has always been an alternative name of Shanghai airport.

Airport Hours: 24/7

Public ground transportation system: airport shuttle, bus line, long distance bus, taxi

### Shanghai Pudong International Airport

Pudong International Airport is located in the east of Shanghai, covering an area of 40 km<sup>2</sup>, about 30 km away from the city center, and about 40 km away from Hongqiao International Airport.

Currently, Pudong International Airport has accommodated an average aircraft movements over 400 times per day, and it is serving for about 50 domestic and foreign airlines, connecting with over 90 international and regional destinations and 60 domestic destinations.

Airport hours: 24/7

Public Ground transportation: Maglev, airport shuttle, long distance bus, taxi

### Tips:

If you transit to local flights, be sure to check whether the flights departs from Hongqiao Airport (SHA) or Pudong airport (PVG).
